

I am against this provision. As a meeting planner, I am often asked to send duplicate registration blanks to potential attendees. Under this provision, I will no longer be able to do so. I won't even be able to send renewal notices via fax.

I hate junk faxes. That's why, as a home based business, I have an efax, so I don't have to print everything and I am not woken up at 3 am by a junk fax. BUT WHAT I DO IS REQUESTED BY THE PERSON, either via email or phone.

PLEASE RECONSIDER THIS PROVISION!

Respectfully,

Susan H. Walton
